

COVID-19: Asymptomatic Home Testing for Staff including agency staff and placements

SCHOOL NAME: WESSEX GARDENS PRIMARY AND NURSERY SCHOOL

Member of Staff and Job Title:	Date of Risk Assessment	Date of Previous Risk Assessments:	Date of Review and who by:	Covered by this assessment:
Ruth Charteris – SBL	2 nd March 2021	1 st February 2021	2 nd March 2021 by LA H&S / SLT	All staff including long term agency staff and placements

Purpose of this document:

All primary schools, school-based nurseries and maintained nursery schools will start to receive deliveries of home testing kits to offer to all their staff from 18 January. Primary, school-based nursery and maintained nursery staff will be supplied with lateral flow device (LFD) test kits to self-swab. Staff will be asked to take their test kits home and carry out the test twice a week. The LFD test will give a result in around 30 minutes. Staff must report their result to NHS Test and Trace as soon as the test is completed either online or by telephone as per the instructions in the home test kit. Staff should also share their result with their school to help with contact tracing.

The kits are primarily for school-based staff who have chosen to take a COVID-19 test. If staff are based entirely at home, there is no need for them to take a test until such time that they are about to re-enter the school to work, although participation in testing is strongly encouraged.
