Birthday Celebration Book

Dear Parents and Carers,

Improving our children's reading is a main school priority this year. I would therefore love to increase the number of books available to our children - and this is where you come in.

It is lovely that so many families celebrate their child's birthday by bringing in individual treats for the whole class. This is so generous of you but unfortunately we do have children with allergies and we are a part of the healthy school initiative. I am therefore asking you to send in a book to help to expand your child's class library instead. I have designed a label to stick in to the front cover, so whenever the book is picked up to be read, the reader will know who donated it. An example of the label is shown below.

As always, thank you for your continuing support,

Alexander Banks
