Deputy Headteacher

Friday 22<sup>nd</sup> May

Dear Parents and Carers,

Thank you for your continuing patience during this challenging time. Thank you also for all the hard work you are putting into home learning. Please remember if you need any additional support or to borrow some technology to help your child, do get in touch.

### Survey

Many thanks to our Y6, Y1, Reception and Nursery families for completing the survey saying whether you are planning to send your child into school after the half term break. The survey shows that of the 153 families who responded, 55% would send their children back to school if the school is able to open to more pupils.

### Risk assessment

There is currently a lot of work going on making sure Wessex Gardens is as safe as possible for when we eventually open. I am very grateful to all the staff who have been working so hard during this preparation stage. All this information will be put into a single document called a **risk assessment** which will be available on our website from 8th June. Please do look at it carefully and if you need anything clarified or have any questions, please do get in touch.

### Provisional dates for the wider opening of school

I am providing you some provisional dates for when we hope to welcome different year groups back. Please note these are the earliest dates we anticipate anything happening and we will of course keep you regularly updated each step of the way.

- Y6 return to school **Thursday 11th June**
- Reception to return **Thursday 18th June**
- Year 1 to return **Thursday 25th June**
- Nursery to return **Thursday 2nd July**

I am sorry we will not be able to welcome all the children who want to return in one go, but as you can imagine, there is a lot of work to ensure the safety of pupils, parents and staff and we need to be very cautious as we welcome groups back.

If you have any concerns or questions, please do not hesitate to get in touch.

Yours sincerely,

Alexander Banks
