

Post at least one picture or video of your learning on Tapestry!

Our Topic is '*Transition*' !

Draw a picture of either your current teacher or your next year teacher and what they might be doing over the Summer. Where do you think they might go? What do you think they might do?

Practise writing your name with a capital letter at the beginning only.

Draw a picture of yourself in the middle of the page and surround it with pictures and words to show what you like to do and your favourite things.

Practise dressing and feeding yourself as well as going to the toilet by yourself and washing your hands properly.

Talk to your adult about the next school year. How are you feeling about going to your new classroom? How are you feeling about meeting your new teacher?

Think about what you want to get better at next year and discuss it with an adult. E.g. passing a ball, writing, painting etc.

Look at a picture of yourself as a baby then look at yourself in the mirror. How have you changed as you've grown?
