23rd April 2019

Dear Parents,

Over the past few years fewer and fewer children have been going on our Y6 residential school journey. A key element has been cost (last year's trip cost £210.00) and also the distance from home (up to 5 hours on a coach).

This year we will be having our school journey at a local outdoor centre called Moat Mount which is part of Watling Chase Community Forest. Wessex Gardens will have exclusive use of the facilities there and with no other schools to worry about, will be a brilliant bonding experience for our children.

Activities will include an aerial walkway, orienteering, archery, team building activities and many sports and nature study opportunities in their incredible grounds. The children will also learn key skills of food preparation as we will be self-catering!

I have booked the centre from **Wednesday 16th October** to **Friday 18th October** (the week just before the October half term) There is capacity for 32 pupils which will be allocated on a first come first served basis. The total cost including all activities, accommodation and meals is £100.00.

I will be holding a meeting for parents at 9:00 on Monday 29th April to provide more information.

Yours sincerely,

Alexander Banks
