Dear parents and carers,

The corona virus is spreading and we must do all we can to help stop this happening. If you or **any of the people you are living with** have recently returned from any the countries below, please inform the school and follow the advice. If returning from a category 1 country – must self isolate and category 2 countries must self isolate if symptoms develop.

Category 1: Travellers should self-isolate, even if asymptomatic, and call NHS 111 to inform of recent travel. Go home or to your destination and then self isolate (see maps next page).

Category 2: Travellers do not need to undertake any special measures, but if they develop symptoms they should self-isolate and call NHS 111. The guidance for Italy, Iran, Daegu or Cheongdo (Republic of Korea), Laos, Myanmar, Cambodia and Vietnam applies to individuals who returned from these specific areas on or after 19 February 2020 (see maps next page).
