Dear Parents and Carers,

Online Video Resources

Since the launch of our new website, it has been our aim to provide learning resources via the Parent Zone area to help you to understand what and how we teach your children.

We are happy to announce that the educational videos for phonics and maths are now available for you to view on our website. The videos can help support your understanding of your children's learning and help with homework.

You can locate these videos on our website <https://www.wessexgardens.co.uk> by selecting the Parent Zone tab and Educational Videos.

We hope this will encourage our children to continue learning at home.

Many thanks,

Layla Albaidhani
Parental Engagement Leader
