18th March 2020

Dear parents and carers,

I am writing to update you regarding our response to COVID-19. From tomorrow, our nursery will be closed but the rest of the school will stay open in line with Government advice. Please note that if staff or their families become unwell, I will need to close certain classes at short notice, if I am unable to cover them.

Please ensure we have up to date contact information for you.

It is very important that you assess your whole household's symptoms very carefully. If someone in your household develops a cough or a fever, then you must all isolate for 14 days.

We are finalising our distance-learning plans should the school close. If you are currently self-isolating, I will be sending some advice around how to support your child at home while the school remains open.

Please do let me know if your child does not have access to the internet, a computer or tablet.

If you have any questions, please do not hesitate to contact me.

Thank you for all your support at this challenging time.

Yours sincerely,

Alexander Banks
Headteacher
