Dear parents and carers,

As stated in a previous email, we are going to utilize Instagram to keep in touch during this challenging time. We will use it to celebrate our children's learning and share it with the world!

I am hoping as many of you as possible will email a photo or video of your child's learning to [wgpinsta@wessexgardens.barnet.sch.uk](mailto:wgpinsta@wessexgardens.barnet.sch.uk) where one of our team will add it to the school's Instagram account. In your email, please include the following sentence, giving us permission to upload:

*I (name) give permission for the attached photo/video to be uploaded to the Wessex Gardens Instagram account. I would like/not like my child's name, (child's name), included in the Instagram post.*

If you have an Instagram account, you could add the picture to your account with the hashtag #wessexrepost and we will repost it to our account.

We look forward to seeing the amazing learning our incredible children complete.

We will also be using our Instagram account to post daily updates, including stories and poems read by teachers and I will be posting a virtual assembly each week.

We hope to see as many of you engaging with us as possible.

Yours sincerely,

Alexander Banks  
Headteacher
