Dear Parents/Carers,

We are inviting you to attend our parent drop in sessions to look at your children's learning journey and talk to them about it. This is a 15 minute session that will enable you to look at your child's books, discuss content covered, topics they are learning and share their learning successes with you.

Not only does parental involvement motivate children to learn, leading to great success in a child's academic achievement, but also it improves children's attitudes about school, making school attendance more desirable.

Therefore, this is a good opportunity for parents and teachers to work together to ensure children are motivated throughout their learning journey and continue to make excellent progress.

Below are the times and dates to attend the drop in sessions.

| Monday 3rd October | Tuesday 4th October | Wednesday 5th October | Thursday 6th October | Friday 7th October |
