

Bug Club

Hello everyone!

I have been looking at Bug Club to see how your home reading is getting on! I see many of you have started lots of books, but it looks like a lot of you haven't finished them.

Please remember, **for Bug Club to register you have read a book, you need to complete all the challenges!** These are shown by the little bugs that appear on the pages of the book. Click on the bug for your challenge! When you get to the end of the book, it will tell you if you have missed any challenges.

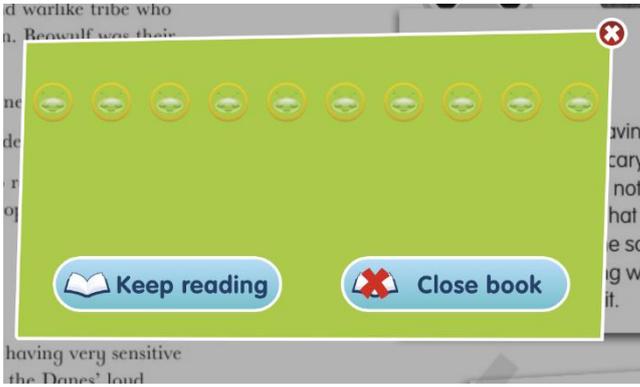

This tells me I have 10 challenges to complete...

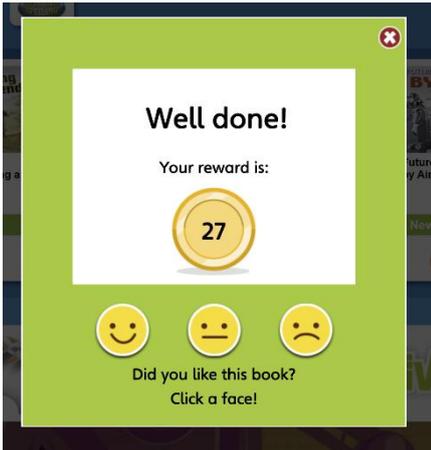

This tells me I have completed 9!

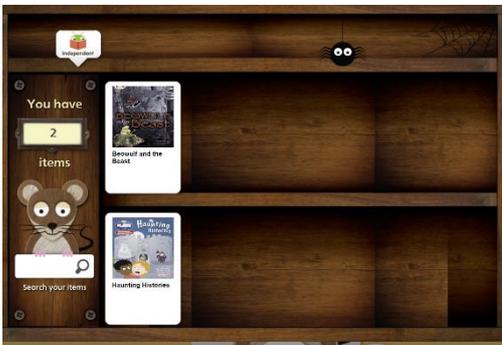

All challenges complete!

When you close the book after completing everything you get a reward!

And the read book appears in your library!

Happy reading everyone!
