Dear KS2 Parents / Guardians,

Home school partnerships are vital for supporting children in their education therefore, we have spent time reviewing homework in school in terms of content. In order to support your child with their home learning, we are going to subscribe to **Mathletics** (Maths revision) and **SPAG.com** (spelling, punctuation and grammar revision).

Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to the curriculum standards for Maths. The extra Mathletics practice at home can make all the difference to your child's progress. Both these online platforms will help pupils build confidence, knowledge and skills, while teachers are able to identify and target any areas of improvement. These platforms are accessible anywhere and anytime and all the activities are iPad and tablet compatible so pupils can even access them on the go!

We very much appreciate your support with this and would greatly appreciate your **contribution of £10.00** to be able to sign up your child to **access these online platforms for the whole year**. Payments should be made online at [www.schoolmoney.co.uk](http://www.schoolmoney.co.uk). Please make a note of the reference number on the permission slip below, and return the slip to the school office by **Thursday 5<sup>th</sup> October 2023**.

Each child will receive their usernames and passwords to be able to log in and complete any home work activities set up weekly by their teachers.

Working together is important to support your child's learning, please do not hesitate to contact me or your child's class teacher if you have any questions or concerns.

Thank you for your support.

Yours sincerely,

Ms. Sharif- Assistant Headteacher and Curriculum lead
