

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
'Change4Life' club during lunchtime	Bronze Sports Ambassadors and Young Leaders have developed their leadership skills and confidently run activities in the KS1 and KS2 playground. Their sessions take place during lunch times, targeting less active and less confident children	The children have improved their physical activity and developed their skills.
Participating in Mayor of London daily Golden KM run	All year groups are improving their stamina and fitness level.	
Taking part in Big Walk and Wheel week and intra competitions to provide opportunities for active travelling to school	We had an assembly to introduce Big Walk and Wheel week and intra challenges for all pupils in the school. The children were encouraged to travel to school choosing one of the following modes of transportation: walking, wheeling and cycling. We created competitions to increase involvement.	More pupils are now confident to cycle on the streets
Provide varieties of opportunities for extracurricular clubs	Specialists delivered training sessions for a group of pupils to improve their cycling ability, road safety awareness and confidence commuting.	Children are familiar with the highway code and conduct when traveling independently
Provide varieties of opportunities for extracurricular clubs	We continued to subsidize some of our extra-curricular activities, providing a wide range of sporting clubs with the aim of increasing participation across the school Football - KS1,KS2 and GT Dance Quick sticks hockey Swimming	All clubs are full and have positive impact on pupil's fitness level and happiness. The children develop their skills and knowledge

<p>Ensure provision of competitions covers level 1 and level 2</p> <p>Organised a variety of level 1 competition such as table tennis, tennis, football, athletics, tag rugby, handball, quick stick hockey between the classes and house teams.</p> <p>Focus particularly on those children who have not had the chance take part in additional sporting opportunities Participate in many SEND completions and festivals.</p> <p>Inclusive festivals and competitions for SEND children</p> <p>Organise Level 2 competitions for both KS1 and KS2 Team fixtures / friendly competitions and School Games competitions, plus competition through Barnet Sports Partnership support package as above. This will also Improve links with other schools at the same time providing excellent competition opportunities for children in all year groups.</p> <p>Identifying the GT children and providing them with training sessions for upcoming events.</p> <p>Applied for the Gold School Games mark</p>	<p>Gymnastics</p> <p>Provide opportunities for all children to take part in sports festivals/ house teams/ class competitions</p> <p>In the Boccia tournament we came 1st in Barnet and then represented our borough at the London Youth Games.</p> <p>Selected children from KS2 represented Wessex Gardens in Sitting Volleyball and won silver and bronze medals. They demonstrated amazing accuracy, coordination and excellent tactics. We provided training sessions before the events took place.</p> <p>100% of children KS2 competed in 4 level 1 competitions. 100% of KS1 competed in 3 level 1 competitions 30% of KS1 took part in a level 2 competition 80% of KS2 participated in Level 2 competitions (football, tennis, athletics, netball, basketball, tag rugby, swimming, cross country, handball, gymnastics).</p> <p>Achieved Gold School Games mark for the school</p>	<p>Participating and winning medals had a positive impact on the pupils. They improved their confidence and self-esteem.</p> <p>We share the success with all pupils and celebrate together. All children are very proud and even more determine to achieve in the future.</p>

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<ul style="list-style-type: none"> ● Provide inclusive opportunities for disadvantaged children to attend a variety of competitions and Sport Clubs 	<ul style="list-style-type: none"> ● Improved gross motor skills and sportsmanship. ● Visit new environments and enjoy competitive experiences. 	<ul style="list-style-type: none"> ● This has been a success for the children with a positive impact on their confidence and resilience.
<ul style="list-style-type: none"> ● Attended many sport competitions for a variety of different sporting activities. 	<ul style="list-style-type: none"> ● Increased team spirit. ● Opportunity to represent the school in competitive events. 	<ul style="list-style-type: none"> ● First Place at The Barnet Primary Panathlon Challenge. ● Second Place at Curling and Boccia Tournament.
<ul style="list-style-type: none"> ● Purchase of a variety equipment and sport kits to offer a broader and more equal experience to a range of sports and activities. 	<ul style="list-style-type: none"> ● Improved quality of PE lessons and After School Sport Clubs. 	<ul style="list-style-type: none"> ● The sessions were fun and engaging to meet the needs of every pupil, enabling differentiation.
<ul style="list-style-type: none"> ● Increase competence and confidence of teaching staff to deliver high quality PE Sessions. 	<ul style="list-style-type: none"> ● Children are engaged and have improved knowledge of a variety of sports and have developed lifelong skills. 	<ul style="list-style-type: none"> ● By training staff we fulfil our aim of embedding sports culture for future generations in a culture of sustainability.
<ul style="list-style-type: none"> ● Young Leaders/Bronze Ambassadors have been delivering fun and engaging Sport sessions during lunchtime targeting less active children. 	<ul style="list-style-type: none"> ● Pupils have been inspired to participate in sports activities, develop their skills and become more physically active. 	<ul style="list-style-type: none"> ● The children have developed their leadership skills and confidence.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum program of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	82%	We have been implementing a program of Booster Sessions for children with less confidence in the water to help meet the National Curriculum requirements.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	76%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	98%	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No
