Dear Parent/Carer,

### Provision for Key Worker Families over the Easter break

The Easter 2-week break is almost upon us and I know many of you have arranged child care for this period. We do recognise however, that at this challenging time plans may change at short notice and you find yourself needing some support. Wessex Gardens will be able to support with child cover for our key worker families on any week day over the break. I only ask that you investigate all options available to you before contacting school.

To utilise this support please phone the school number 020 8455 9572 giving as much notice as possible (up to the day before). The school phone has been directed to my personal mobile number so you will come direct to me.

Thinking of you all.

Alexander Banks
