Friday 3rd April 2020

Dear Parents and Carers,

It is a very unusual end of term letter I am writing during these strange times. Despite our new set up the learning of our children has kept going. Huge thanks to all those involved in preparing the tasks and thank you to everyone at home supporting the children with their learning. I do hope the learning has helped to structure the day at this time of lockdown. It is especially enjoyable seeing the pictures on our Instagram page of all the exciting things the children are getting up to.

As we head into the Easter break, it is time to be mindful of your child's learning but also it is time to enjoy as a family. We have set the normal holiday topic quest home learning which will be available on the website. I hope you enjoy exploring the new topic with your children but more importantly use the break for other things.

You will also receive a login of online resources called **Purple Mash**. Over the Easter break, please encourage your child to have a look and explore the site. There are lots of educational games available that your child may enjoy playing.

Thank you to all families who have contacted their class teachers so far. After the Easter break, I hope many more families will be in contact as we begin our Summer term.

Wishing you all a lovely Easter break,

Alexander Banks
Headteacher
