20th April 2020

Dear Parents and Carers,

I hope you are all well and have managed to have some fun over the Easter holiday. Thank you so much to all the families who are sending in pictures of their home learning to our Instagram account. It is wonderful to see the variety of activities you are getting up to! I am also looking forward to judging the Easter Egg competition. Thank you to everyone who entered.

The Summer term has started and therefore we need to go back to our home learning. As before, you will find the activities on our website. Thank you to all the families who have reached out to their teachers. Please will **everyone** write to their child's class teacher at the email below just to say hello and to tell us how you are getting on with the home learning. Adapting to the new way of learning is tricky and you may not have got to grips with it yet, this doesn't matter but please reach out to us as soon as possible so we can work together in supporting your child.
