School Uniform

Dear Parents and Carers,

Most of our children come to school proudly wearing our school uniform. This sense of pride I would like to ensure is felt by all our children so for **after the half term break** I am raising the expectation of what is acceptable uniform at Wessex Gardens.

With this letter is a list of expected uniform. Please pay particular attention to the **jewellery** section and what is acceptable **footwear**. I also expect all children to wear the Wessex Gardens sweatshirt with our logo. This is important to instill a sense of belonging and togetherness at our school. The sweatshirt is the only piece of clothing that we expect to show the school logo.

Please note that we have many second-hand sweatshirts with our logo that we would rather see reused as opposed to being thrown away. Please ask at the school office.

Thank you in advance for your support,

Yours sincerely
